PERSONAL PROFILE

I'm an experienced Runner recently selected for The Network 2022 talent scheme. Having predominantly worked across unscripted formats, I'm looking to move into the world of scripted TV and Film as that's where my passion lies. I also teach Film/TV on Saturdays at PQA Wolverhampton.

With a love for storytelling, I regularly work on my own projects that I showcase on my website. Currently, I'm writing a feature-length psychological thriller and producing a documentary series about me learning how to draw.
